

Guidelines for Gangbangs

1. The Ladies are in Charge

- a. The ladies or their spotter will ask you to participate or
- b. You can approach a lady or her spotter and ask to join in
- c. If the lady or spotter says, "No, thanks," be gracious and move on. No reason is necessary.
- d. Some ladies are fine with you watching, others prefer not to be watched. Ask if you're not sure.

2. Spotters

- a. Many ladies feel better having a spotter
- b. You might be asked to spot or you can volunteer
- c. The spotter makes sure that the lady's preferences are honoured and can help out
e.g. having gloves ready if she prefers covered fingering
- d. Especially important is ensuring that males are wearing condoms for penetration
- e. And that the condoms ARE STILL ON when the fellows finish

3. Mishaps & Cleanliness, etc.

- a. If anything happens, like your condom coming off, alert the lady and spotter immediately and offer assistance as needed
- b. Make sure everything ends up in a garbage bin, especially condoms, but also wrappers, wipes, paper towels, etc.
- c. The red drinking cups and pop cans are recycled so notice the bins for them around the house
There are separate bins for red plastic cups/plates and pop cans
- d. Talk to Seann or Jessica about any concerns you have
- e. Inebriation or drugs other than 420 are grounds to be asked to leave
